PAYMENTS TO SOUTH AFRICAN BANK ACCOUNTS

Please be advised that, if the redeemed funds are being paid to a South African bank account, we do not convert the funds to Rands due to exchange control regulations. We remit in fund currency as reflected on your redemption contract note. Upon receipt of the money, your bank would normally contact you to confirm the exchange rate before paying it to your bank account. If you have not received your funds and the bank has not made contact with you after the settlement date, please query directly with your bank. Some banks have the provision to make prior arrangements regarding conversion of funds before the settlement date. Please also confirm this with your bank directly.
