The government of South Africa has entered into agreements under which it has agreed to the automatic exchange of information with other countries. These agreements are aimed at improving tax compliance between the countries over financial assets held by investors within their boundaries. TERMS AND CONDITIONS

- 1. Net Asset Value (NAV):** Prices are calculated on a NAV basis, which is the total value of all assets in the Portfolio including any income accrual and less any permissible deductions from the Portfolio divided by the number of participatory interests in issue. Permissible deductions include brokerage, Securities Transfer Tax, auditor's fees, bank charges, trustee/custodian fees and the service charge levied by STANLIB Collective Investments (RF) Proprietary Limited ("the Manager").
- 2. Service Charge (levied monthly incl. VAT):** The service charge for the individual portfolios is accrued daily and levied monthly on the market value of the Portfolio. Certain portfolios have a performance based service charge which shall be a variable amount that may either increase or decrease, depending on whether the Manager has added or detracted value for the portfolio relative to a passive investment in the portfolio's benchmark. Please refer to the latest fact sheet(s) for more details. The service charge is normally deducted from the income received by the Portfolios. The Portfolio Charges document (including Performance Fee Frequently Asked Questions) is available on www.stanlib.com.
- 3. Performance Fees:** Where fees are not accrued daily, the fee accrual is lagged and rolling measurement periods are used, certain participatory interest holders may carry a lower proportion of the performance fee relative to performance enjoyed, whilst other Clients may carry a higher proportion of the performance fee relative to performance enjoyed. Where underlying portfolios charge implicit performance fees (i.e. implicit in their unit prices), participatory interest holders may carry these performance fees regardless of whether the top-tier portfolio or mandate has out-performed its own benchmark. The Portfolio Charges document (including Performance Fee Frequently Asked Questions) is available on www.stanlib.com ("Investment for Individuals" section).
- 4. Total Expense Ratio:** The Total Expense Ratio (TER) of a Portfolio is a measure of the Portfolio's assets that were relinquished as operating costs expressed as a percentage of the daily average value of the Portfolio calculated over a period of usually a financial year. Typical expenses which are deducted from a Portfolio include service charges, taxes, trustee fees and audit fees. The TERs can be located on the Fact Sheets and the Portfolio Charges document which is available on www.stanlib.com ("Investment for Individuals" section).
- 5. Overnight Interest Allocation:** Interest earned by STANLIB in its bank account (subscription) on deposits made by you will be added to the investment amount if it takes longer than 1 Business Day, after the receipt of the deposit and/or the fulfilment of any outstanding requirements, to process the transaction. Deposits made on a non-business day (i.e. public holidays, Saturdays and Sundays) will also not attract any interest.
- 6. Switching:** A "switch" involves selling participatory interests (units) in one portfolio and investing the proceeds in another portfolio. The Manager does not normally charge initial manager charges twice, other than in the instance where the original entry was into a portfolio with lower charges than the portfolio into which the Client will be switching into. Accordingly, the Client will have to pay the difference between two initial manager charges. However, the Client and the Financial Adviser (if applicable) may agree on a different arrangement to that mentioned above, in which case an initial manager charge as agreed, between the Client and the Financial Adviser, will be charged on the switch transaction. As costs may change from time to time, please consult with your authorised Financial Adviser.
- 7. Income Distributions:** Income distributions are made at regular intervals for all portfolios. Portfolios either declare distributions monthly, quarterly (31 March, 30 June, 30 September, 31 December), bi-annually (30 June, 31 December), or annually (31 December). These distributions are paid by no later than the last working day of the following month. Please refer to the latest fact sheet(s) for more details.
- 8. Institutional & Retail Money Market Portfolios:** The price of each participatory interest (unit) is aimed at a constant value for all Money Market Portfolios. The total return to the Client is primarily made up of interest received but, may also include any gain or loss made on any particular instrument. In most cases this will merely have the effect of increasing or decreasing the daily yield, but in an extreme case it can have the effect of reducing the capital value of the portfolio. STANLIB Collective Investments (RF) Proprietary Limited will endeavour to give Clients access to their cash on a same day basis, provided that there are no outstanding administrative issues between the Manager and the Client, and that the Client's repurchase request has reached the Manager before 11h30 on any business day. If the repurchase request is received after 11h30, Clients will have access to their funds on the following business day. The Manager will not accept responsibility for not being able to make payment to the Client within the above timeframe if the above-mentioned requirements have not been met, or the delay was caused due to circumstances beyond the control of the Manager.
- 9. The STANLIB Corporate Money Market Fund** gives clients access to their cash on a same day basis, provided that there are no outstanding administrative issues between the Manager and the Client, and that the Client's repurchase request has reached the Manager before 11h30 on any business day. The Manager will not accept responsibility for not being able to make payment to the

Client within the above timeframe if the above-mentioned requirements have not been met, or the delay was caused due to circumstances beyond the Manager's control.

10. **Payments:** Redemptions and income distribution payments can only be made into an account in the name of the Client. No third party or cheque payments will be made.
