You have a lot of flexibility when it comes to investing. You may invest in any of the following ways:

- An initial once-off lump-sum investment.
- A monthly or annual recurring investment by debit order, which you can start, change, or stop at any time.
- An additional lump-sum investment.
- Transferring monies from an investment account at another provider

The investment minimums are:

- Lump-sum investment R50 000.
- Recurring investment: R1 000 per month or R12 000 per annum.

A maximum of R1 000 000 may be debited from your bank account within a day.

Once-off lump-sum investments may be made either by direct debit or electronic transfer.

Withdrawing from your investment

You have unlimited access to your money. You may withdraw what you want, when you want, as often as you want. You can also set up a regular withdrawal payment from your investment.

Product suitability

This product is suited to individuals and companies who want to grow their money while still having access to it when needed, and/or save towards a medium to long term goal. It is not the ideal solution should you wish to invest into something which protects your investment returns from tax.

Financial adviser

The person you have appointed to provide you with financial advice and intermediary services.

Your adviser is employed by the FSP, which is a separate legal entity from STANLIB. The FSP is required to be correctly licensed by the FSCA to provide specific services. STANLIB will check this for you.

Model portfolio

Investors with a similar risk outlook, return objective, and investment timeframe have their money invested in a range of investment portfolios by a specialist manager. The manager tailors the mix and proportion of investment portfolios in a model portfolio to the needs of that group of investors. This grouping of investment portfolios is known as a model portfolio.

Important rules which apply to this investment

Registration of your investment

We will register this investment in the name of the nominee in its capacity as an independent custodian, except in the case where law prescribes that the investment is held directly in the name of the client.

Terms and conditions

This document along with your completed application form are the Terms and Conditions of your investment with us. We may amend these terms and conditions from time to time provided that we give you sufficient written notice of any material changes. The onus is on you to keep up to date with the terms which apply to your investment with us.

Guarantees and risk

STANLIB does not guarantee the value of your investment or the performance of the investment portfolios in your investment account. The market value of your investment may fluctuate and go down as well as up, and past performance is not necessarily a guide to the future. You bear the investment and market risk which includes the possibility of losing capital. The investment portfolios which you select may expose you to risks such as political, currency, regulatory, settlement, market, taxation, or premium risk. It is your responsibility, in conjunction with your financial adviser, to understand the risks in your investment.

Cooling off

No cooling-off period applies to this investment. Should you wish to no longer hold the investment you may request a full withdrawal, which may result in capital gains tax (CGT) being incurred. If you have invested by way of a debit order, you may not withdraw this money for 45 days after it is invested, as it is not yet fully debited by your bank. Cheque deposit investments may not be withdrawn for 21 days after investment.

Ceding of your investment as collateral or security

You may cede your investment account as security. We are only able to process a cession on your full investment. We cannot record a partial cession.

Transferring ownership of your investment

You may transfer your investment to another party. The transfer will be subject to CGT, unless it's a transfer between spouses, which is CGT exempt.

Taxes applicable to your investment

Your Classic Investment Plan is subject to CGT, income tax on interest, dividends tax, and Real Estate Investment Trust (REIT) tax. Income tax is due whenever interest is earned by your investment. A CGT event will occur when you do a withdrawal or a switch from an investment portfolio.

A 20% withholdings tax on local dividends applies. We will deduct any dividend and REIT tax which you may owe from an income distribution before it's invested into your investment account. We will pay this to the South African Revenue Service on your behalf. Please provide us with a complete Dividend Tax Exemption form if you are exempt from this tax or qualify for a reduced rate.

We will provide you with the necessary tax certificates annually, reflecting any taxes which have been incurred.
